

More changes to bus services in the Malmesbury area

from 30th March 2015

Following comments from drivers and passengers about the bus service changes that were introduced in the Malmesbury area earlier this year, we will be making a few minor changes to the timetables on the 30th March, to allow passengers more time to swap between buses in Malmesbury and help the buses to combat the increasing amount of traffic congestion on the outskirts of Swindon and Chippenham.

The new timetables are included in the leaflet and a summary of the main changes is as follows:

- Some of the buses on routes 31, 41, 92 and 93 before 0830 will depart slightly earlier than they do at present;
- On Malmesbury Local service 30, buses between 0900 and 1000 will also run slightly earlier;
- On service 31, the 1700 journey from Swindon will call at Gloucester Road and Corn Gastons after Malmesbury Town Centre. Some afternoon journeys on route 31A will also call at Lea on request – see timetable for details;
- On service 41, some buses will depart from Malmesbury 5 minutes later than they do at present and on journeys to Yate the bus will only call at Chipping Sodbury if required by passengers who wish to get off there;
- On service 92 to Chippenham, buses will depart from Malmesbury 10 minutes later than they do at present. Also in the afternoon, some buses will only call at Kington St. Michael if required by passengers on the bus.
- On service 93 to Cirencester, the bus that departs Malmesbury at 1800 will run via Gloucester Rd and Tetbury Hill instead of Lea (passengers who wish to travel to Cowbridge or Lea at that time will be able to use service 31A instead). An early morning journey will also run from Crudwell to Cirencester on Saturday mornings.

Please also note that on weekdays from 1st April 2015, concessionary bus passes will no longer be accepted for free travel on most bus services in Wiltshire before 0930. However as bus services 31, 41 and 93 run infrequently, bus passes can be used to travel on these services from a slightly earlier time, as shown on the timetables overleaf. Concessionary bus passes can also be used to travel on any bus at any time on Saturdays.
